

# Physics with a Bang!!

## *A Holiday Lecture for Kids of all ages—5 to 135*

Students, families, teachers, and the curious are invited to attend our Holiday Lecture and Open House. See exciting physics demos performed by Profs. Heinrich Jaeger and Sidney Nagel. (Some will be fast, some loud, some surprising, some beautiful.) Tour labs where scientists conduct research. Learn about the latest findings and participate in hands-on activities.

**Saturday, December 6<sup>th</sup>, 2008**

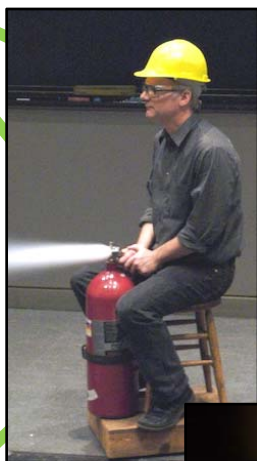

**Lecture Repeated at 10am and 2pm**

**Open House: 10am-4pm**

**Sign-in: 1<sup>st</sup> floor**

**Kersten Physics Teaching Center  
5720 S. Ellis Ave.**

Sponsored by:  
The University of  
Chicago,  
Department of  
Physics,  
The James Franck  
Institute, UC  
Materials  
Research Center  
(MRSEC)

For more information, or if you need special assistance at the lecture, please contact Eileen Sheu, [ecs@uchicago.edu](mailto:ecs@uchicago.edu) (773) 834-9916
