OTHER ACADEMIC INFORMATION:

OVERALL GPA

GPA IN PHYSICAL SCIENCE AND MATH-RELATED SUBJECTS

PREVIOUS COLLEGES OR UNIVERSITIES ATTENDED

HAVE YOU PARTICIPATED IN AN REU PROGRAM BEFORE? IF SO, WHEN & WHERE?

Please indicate your research area(s) of interest. REU program.

**Materials Research Center Summer Internship**

__ Condensed Matter Physics
__ Nanoscience and Technology
__ Polymers/ Synthesis
__ Quantum Computing
__ Computational Materials
__ Spintronics/Magneto-Electronics
__ Biophysics/Biomaterials
__ Open to all research areas
Describe your specific interest under this program (e.g. experiment or theory, particular research area, or project if strong preferences exist):

Relevant Work, Life, or Laboratory Experience (employer, type of work, dates of employment, talents and practical skills, previous participation in an REU or other summer program):

Computer Experience (Please list the types of computers which you have used and any programming languages or operating systems with which you have had experience):

Please include along with this application a statement (of at least 200 words) describing your academic and research goals and how participation in a University of Chicago Summer Undergraduate Research Program would help you achieve these goals.

Please send the Application Form together with your statement to the address below:

Eileen Sheu
IBM Almaden/ MRSEC Internship
929 E. 57th Street , E-125
Chicago, IL 60637-1433
e-mail: ecs@uchicago.edu

Also arrange to have a recent transcript and two completed recommendations forms (enclosed) sent to the appropriate address. Mark mailing instructions on the recommendation forms.
Name of applicant: ________________________________________________

In accordance with the provisions of the Federal Education and Privacy Act of 1974, enrolled students have the right to see their letters of recommendation unless they have explicitly waived that right. **Check one:**
- I waive my right of access to this recommendation. • I do not waive my right of access to this recommendation.

Signature of applicant ___________________________ Date ________________

Name of respondent (Please print) ___________________________

College, University, or Company ___________________________

Department ___________________________

Title and Position ___________________________

**Note to respondent:** We appreciate your candid evaluation of the applicant named above. We are interested in how long and in what capacity you have known the applicant, in your impression of the applicant's initiative, intellectual capabilities, resourcefulness, and any other specific qualities that you feel are important to judge his or her potential for further study and research leading to a career in Physics.

Signature of respondent _____________________________ Date ________________

Please mail the completed recommendation to the indicated address by February 15, 2019.

Application Instructions & Checklist:

The University of Chicago
2019 IBM Almaden/MRSEC Summer Internship

Be sure your application is complete & contains the following:

☐ 2 pages of personal and college information
☐ personal statement
☐ 2 letters of reference (or arranged to be mailed directly by reference)
☐ recent official or unofficial transcript (or arranged to be mailed directly by registrar)
☐ any additional material that you feel will provide us with a more complete picture of who you are (optional)

Mail your application to the address below on or before February 15, 2019
